

AMENDMENTS TO THE CLAIMS:

This listing of claims will replace all prior versions, and listings, of claims in the application:

LISTING OF CLAIMS:

1.(original) A pleasure boat (1) including a cockpit (2), a swimstep (3) and a transom (4) separating the cockpit (2) from the swimstep (3), characterized in that said transom (4) is mounted to be mobile between a rear position in which the cockpit (2) has a maximum area and the swimstep (3) has a minimum area and a forward position in which the cockpit (2) has a minimum area and the swimstep (3) has a maximum area.

2.(original) The pleasure boat as claimed in claim 1, characterized in that the floor (6) of the cockpit the swimstep (3) are aligned with each other.

3.(currently amended) The pleasure boat as claimed in ~~either or claim 2~~, characterized in that said transom (2) and claim 1 (4) is mounted on at least one slide (7) disposed in the longitudinal direction of the boat (1).

4.(original) The pleasure boat as claimed in claim 3, characterized in that the slide includes two longitudinal grooves (7) formed in the floor (6) of the boat (1).

5.(original) The pleasure boat as claimed in claim 4, characterized in that the transom (4) includes two carriages (8) provided with rollers (9) adapted to be engaged in said grooves (7), the bottom of the grooves (7) forming a lower track for the rollers (9).

6.(original) The pleasure boat as claimed in claim 5, characterized in that said grooves (7) each include an upper cover (13) so that said rollers (9) are contained between said lower track and an upper track.

7.(currently amended) The pleasure boat as claimed in claim 1 ~~any one of claims 1 to 6~~, characterized in that it further includes means (15, 16) for immobilizing the transom (4).

8.(currently amended) The pleasure boat as claimed in claim 1 ~~any one of claims 1 to 7~~, characterized in that a portion of the transom (4) is mobile relative to the remainder of the transom (4) to form a door (5) between the cockpit (2) and the swimstep (3)

9.(original) The pleasure boat as claimed in claim 8, characterized in that said door (5) is formed by a lateral end of the transom (4) attached to the remainder of the transom (4) by a hinge so as to open toward the interior of the cockpit (2).

10.(new) The pleasure boat as claimed in claim 2, characterized in that said transom (2) and claim 1 (4) is mounted on at least one slide (7) disposed in the longitudinal direction of the boat (1).

11.(new) The pleasure boat as claimed in claim 10, characterized in that the slide includes two longitudinal grooves (7) formed in the floor (6) of the boat (1).
